GoodReader – PDF Reader, Annotator and File Manager
by Good.iWare

Price

\$4.99 ea.

Quantity

64

Subtotal

\$319.36

Distribution Type

- Redeemable Codes:** Download a spreadsheet containing redeemable codes which you can then provide to your users. Ownership of the app or book is given to the Apple ID that redeems the code. Codes will only be redeemable in the U.S. store.
- Managed Distribution:** Assign apps to users or devices using a Mobile Device Management (MDM) solution, such as the latest version of Apple Profile Manager. You retain ownership of apps only, allowing you to revoke and reassign them as needed.
