Dear Dayna,

Thank you for your interested on our product.

We provide 2 types of subscription to e-Anatomy:

=> Group Subscriptions: each user have an individual account (username and password) and can access to e-Anatomy from any computer (PC and Mac) and also from smartphones and tablets (iOS and Android).

For 68 users I can make you a special price of \$ 24.00 USD per user per year

For 130 or 200 subscriptions the price will be \$ 23.00 USD per user per year

=> Institutional Subscriptions: It's an IP address based authentication system, any user can access to e-Anatomy on our website (www.imaios.com) from any computer on the activated network (without login).

Prices are the following:

- I1 (0 to 250 users): \$ 2,090.00 USD per year
- I2 (251 to 1,500 users): \$ 3,190.00 USD per year
- I3 (1,501 to 3,500 users): \$ 4,190.00 USD per year

I am sending you our group order form and an Excel user list template (I will need first name, last name and email address of each user). I am also sending you our institutional order form and our e-Anatomy agreement.

Feel free to contact me in case you have any question.

Sincerely,

Barbara
