Dear Rainin Customer

We appreciate this opportunity to equip your lab with Rainin precision instruments and have prepared the attached quotation for your review.

To assure exceptional quality and performance, Rainin ergonomic pipettes and BioClean tips are manufactured in the United States, using only the finest materials available. And to keep your pipettes in peak operating condition, we operate four state-of-the-art, ISO 17025-certified service labs. Rainin offers a wide range of pipette service and calibration programs, or we can design a customized program to suit your needs.

If you have any questions or need additional information about this proposal, please feel free to contact me.

Sincerely,

Pratima Sahni
