Samsung BE50T Overview

*Advertise your product or business digitally with the **Samsung BET-H 50" Class HDR 4K UHD Commercial LED TV**. It features 250 cd/m² of brightness with a 4700:1 typical contrast ratio to help enhance visibility in bright environments. It has a USB and two HDMI ports, plus Wi-Fi, Ethernet, and Bluetooth connectivity to provide a variety of interface options. You can download the Samsung Business TV app to access simple signage solutions for your business. As an added convenience, the BET-H includes a stand and a remote control.*

Crystal UHD Picture Quality

With the fast Crystal 4K processor and Crystal UHD resolution, you can display content with accurate, smooth color in 4K for nearly any source.

HDR for Enhanced Detail

With HDR compatibility, you can showcase detail in a wide spectrum of colors, even in dark scenes.

Slim Design

The slim design of the BET-H series helps draw your attention to the screen from nearly any angle.

Engineered for Reliability

The BET-H series is designed to reliably operate up to 16 hours a day, seven days a week.

Plug-and-Play Content

With a built-in tuner, USB multimedia player, and various input ports, you can show your customers the content they want to see. With Wi-Fi and Ethernet connectivity, online content is also available.

Samsung Business TV App

This app is designed to make it easy to create and upload dynamic, eye-catching content to multiple compatible TVs from your Android or iOS device in three easy steps. You can also choose from over 100 customizable templates sorted by industry and content type, including L-bar layouts, embedded motion, seasonal sales, and other pre-designed promotions. Additionally, you can display photos from your smartphone or tablet.

Slideshow Function

The slideshow feature lets you change your message anytime. With a few clicks of a button, you can update the latest information and promotions on the BET-H series TV, making your content as dynamic as your customers.

Timer & PIN Code Protection

An on/off timer lets the TV automatically operate during business hours, and a PIN code protects the display settings to help avoid potential content interruption.

Additional Features

- 72% color gamut
- Autorun Signage (app auto launch)
- App Pre-installation
- OTN On/Off
- Security Lock
- Panel Button Lock
- USB Port Lock
- Mobile Connection Menu
