

## Specifications

# SMART kapp

SMART kapp™ 42" capture board (kapp42)

## Overview

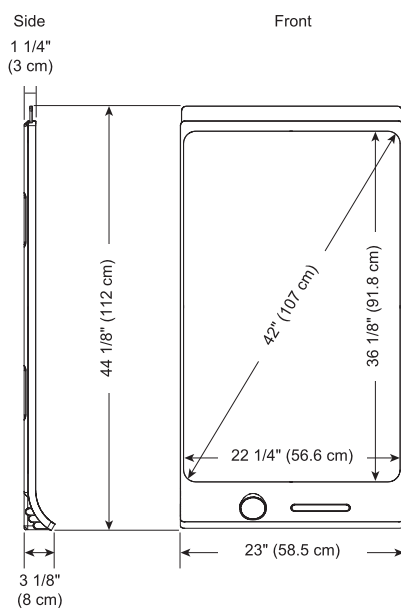

The SMART kapp™ 42" capture board enables you to collaborate with others in a simple but powerful way. Write and draw on the capture board like you would a regular dry erase board. You can then connect a Bluetooth®-enabled mobile device to the capture board by scanning a Quick Response (QR) code or by tapping the Near Field Communication (NFC) target. When you first connect your mobile device, you're directed to the Apple App Store or Google Play™ to download the SMART kapp app. After you download and install the app, you can use it to connect to your capture board and share content with others.

See [smartkapp.com](http://smartkapp.com) for more information on this product.

## Dimensions and weights<sup>1</sup>

### Dimensions

### Weight (approximate)

35 lb. (16 kg)

### Shipping dimensions (approximate)

48" × 26" × 8"  
(122 cm × 66 cm × 20.3 cm)

### Shipping weight (approximate)

43 lb. (19.5 kg)

<sup>1</sup>All dimensions ± 1/8" (0.3 cm). All weights ± 2 lb. (0.9 kg).

## Parts and features

<b>Included parts</b>	SMART kapp 42" capture board Dry-erase marker (×3) Eraser Bracket and hardware for mounting the capture board to a wall
<b>Digital capture technology</b>	DViT® (Digital Vision Touch) technology
<b>Wireless technology</b>	Bluetooth 2.1 + EDR <sup>2</sup>
<b>Capture options</b>	Establish a Bluetooth wireless connection with a supported mobile device (see below) by doing one of the following: <ul style="list-style-type: none"> <li>• Scan the capture board's unique QR code</li> <li>• Tap the capture board's NFC target (Android™ devices only)</li> </ul> Connect a USB drive
<b>USB drive support</b>	USB 2.0 Type-A receptacle Support for FAT-formatted USB drives only

## Mobile device support

<b>Apple devices</b>	iOS 7 or later operating system software 50 MB storage iPhone 4S or later Third generation iPad or later First generation iPad mini or later
