Jeff,

To add a box, duct and grilles would be \$4,500 to \$5,500. Then another \$500 for T & B. Add in O & P and design fee's the total would come to about \$8500.

Thanks!

Jess:

Vice Elliot visited the site and estimated that it would cost \$1000 to patch and paint the space. I am still waiting on JLRD to provide an estimate for the HVAC design and installation.
